## **MARSHALL WINS MAJOR CUSTOMER SERVICE AWARD**

Marshall Leasing, the family-owned Leasing company with offices in Huntingdon and Woodford, last night picked up a major customer service award at the Association of Car Fleet Operators (ACFO) annual awards dinner in Birmingham.

Marshall Leasing was named as the Fleet Service Company of the Year following a vote by ACFO's many members

The award is for the fleet service company trading in the UK during 2010 which is viewed by ACFO members as having provided the best overall combination of quality products, service, integrity, and understanding the requirements of fleet operators.

Commenting on the award, Peter Cakebread, Managing Director of Marshall Leasing, said: "We are delighted to have been presented with this prestigious award which is a great tribute to hard work of our team at Marshall Leasing and recognises the absolute focus we have on delivering great service to all of our customers."

Peter Cakebread added: "What makes this award particularly valuable to us is that it was voted for by ACFO members, many of whom are Fleet Managers and customers of Marshall or who have heard of us and our customer-centric proposition."

Marshall Leasing was founded over 35 years ago and has grown steadily in that time by building a reputation for offering a flexible service to its customers to match their needs.
